### Participants:

Rhonda Jackman  
Cheryl Medearis  
Debbie Bordeaux  
Midas Gunhammer  
Dan Seibel  
Cheryl Whirlwind Soldier

### Notes:

- + Ronda Jackman report on local Covid issues
  - + Todd County, Down from "high" to "medium"
  - + only 10 active cases right now in our community
  - + In a good spot right now
  - + CDC recommendations should be followed
    - + If exposed or with symptoms, can go out with mask
    - + If positive, isolate for 5 days, can go out with mask after for up to 10 days
  - + Still seeing it as "contagious" but not severe (minimal hospitalizations)
  
- + Campus Safety Update
  - + With numbers down, should we change campus
  - + Should we update the policy to be in line with CDC?
    - + Last policy was from Jan, 22. Needs updating.
  - + Should unvaxxed folks wear masks on campus?
  - + Students still not allowed on campus if unvaxxed
  
  - + Dan will send the current policy to all for revision (previous editable version)
  - + All: Next week will update the policy based on her information and input from the Covid committee and Presidential Council
    - + Dan and Ronnie: Write and review updated language for staff and we'll get it on the website asap
  - + Faculty have the prerogative to ask in-person students to show their vax card
  - + By mid-October, more information should be out about new boosters. In October, the committee should be able to look at the spring semester regulations
  
- + Future Meetings
  - + Every two weeks would suffice for meetings.
  - + Ronnie will send out info in off weeks if there are changes
  - + Wed at 9:30 am will be future meetings
  - + Next meeting is Sept 21 at 9:30 am
  - + Dan will send notes to Jim Cortez to post
